Tent/Canopy Information:

1. We deliver and set-up all tents/canopies. Set-up is included in pricing.
2. Outside of the city limits of New Braunfels—there will be a delivery fee.
3. All tents subject to site check.
4. Tents must be staked or anchored to the earth with iron stakes from 21" to 44" deep in dirt and asphalt applications.
5. We will repair the asphalt with plugs @ \$1.25 per plug; in concrete, anchors will be installed and the concrete surface patched at \$2.25 per anchor location.
6. Frame tents may be secured with water barrels and may not require stakes. Water must be available on site, within 150 feet, at your cost. Water barrels as tie down ballast is subject to prevailing weather and site layout.
7. The renter is responsible for obtaining and paying for all permits and taxes.
8. Cooking or open flames are not allowed under or near any of our tents.
9. You must locate all imbedded items and overhead obstructions and have them clearly marked. Overhead obstructions must not touch our tents.
10. To install any tent we must have an area four feet (4') longer and wider than the measurements listed.
11. We cannot install any tent over structures, trees, or shrubs.
12. During installation and take down, the area under the unit must be clear.
13. We are not responsible for any damage to trees, grass, asphalt, concrete, shrubs, or imbedded items.

NOTE: LATE TENT ORDERS, RECALLING CREW, OR AFTER-HOURS INSTALLATION AND/OR TAKE DOWN WILL INCREASE YOUR TENT/CANOPIE COST.
